

Pro Lebensfreude GmbH is the ambulatory care service for more joy in everyday life.

We want to enable people in need of care to live a self-determined life at home through activating and warm care. In doing so, we combine individual care with technological know-how and thus have more time for people. Pro Lebensfreude GmbH founded in May 2020, we have grown steadily since then and already provide care to our customers at two locations in the region.

We are looking for a
